I don't think that we do. If you have a reference I'll look at and whatever amendment you propose. My preference would be to work from the one I sent you since it specifically addresses the documents that I am ready to send you as soon as we reach agreement. Amy

havent we already signed a protective order in this case? If so, it should be sufficient, or could be amended.

Dear Mike:

Attached please find a proposed Agreed Protective Order that addresses the confidentiality of the Claims Assessment Agreement and Amendment between DMS and Jefferson-Pilot. I am in receipt of the copies you returned to Bill Ellis and will reissue a copy to you appropriately marked "confidential" as required by the Court's Order of 3-14-07. In that Order the Judge also asked us to work cooperatively to reach an Agreement regarding the confidentiality of the documents. Please review the attached and if this is acceptable, I will submit it to the Court. By my calculation, it is due on Monday, April 16, 2007. If you have any proposed changes, please let me know. Thank you.
